

**1009 NAVOLI SANGAM SCHOOL**

**ELEMENTARY SCIENCE**

**YEAR 1**

**LIVING THINGS**

**Notes:**

Food helps us to grow, work and play. We can get food from different sources like:

- We can get food the river like fish and kai
- We can get food from the sea like fish, crab, turtle, octopus
- We can also grow our own food like cassava, cabbage, dalo, bean, tomatoes.

Activity. collect pictures and paste them in the correct column below

Food from the river
Food from the sea
Food from the land
