English
Worksheet 4 Solution

Activity: 1

In the sentences below there are some words which change in the same way. Build new words and use them to complete the following sentences.

1. We do not often have earthquakes in Fiji, they are not frequent here. Earthquakes are **infrequent** in this country.
2. Scientists cannot predict when an earthquake is going to happen. The methods they have tried have not been effective. All their methods so far have been **ineffective**.
3. The workers wasted too much time doing the job. Their way of doing things was not very efficient. These **inefficient** workers cost the company a lot of money.
4. Many volcanoes which were active millions of years ago are not active now. Volcanoes which have been **inactive** for a long time are called extinct volcanoes.
5. When you get a driving license you can use it for one year. If you don't renew it after one year, it is not valid. You should not drive if your license is **invalid**.
6. A country that is not dependent on some other country is called an **independent** country.
7. Many germs cannot be seen. They are not visible to the naked eye: they are **invisible** because they are very small.
8. The information he gave was not accurate. His information didn't help me much because it was **inaccurate**.
