LESSON NOTES**COMPREHENSION****A Boy Called Johnny**

The fourth floor window was wide open and there, on the sill, stood a very young boy. Little Johnny laughed and reached his arms out towards the birds in the tree tops and the clouds blowing across the sky, as if he longed to be flying with them.

- 5 Hanna, his maid saw all this. She also saw Tommy with one arm raised behind the small boy's back, waiting. One strong hand, one quick push, and then what? Hanna rushed forward. With a quick sweep of her arm, she gathered the child back into her apron and lifted him down to the floor.
- 10 Tommy gave her the look and swiftly moved aside as if unaware of what was about to happen.
