THEME: **Family and Culture**

PRONOUNS

A **pronoun** is a word that takes the place of a noun, for example, **I, me, he, she, you, it, they, we, them, us, him, her, his, etc.**

For example: He is playing.

Mrs Kumar called them to come in.

Her book is on the table.

That dog is barking. It belongs to Mr Koroi.

A. Circle all the **pronouns** in the passage below:

I was invited to my friend, Taloy's 7th birthday party. It was held at their home .There were lots of people at the party. There was also lots of food to eat. Her family had prepared lots of food and drinks. They had decorated the house with balloons. Her father wired the house with coloured lights. He even had the coloured lights on the tables. It looked splendid. Everyone enjoyed themselves at the party. We all wished Taloy a Happy 7th Birthday.

B. Underline the **pronoun** in the **second** sentence. Draw an arrow to the **noun** it replaces in the **first** sentence as done in No.1.

1. The teacher is reading a book. It is an interesting one.

2. Take off your shoes. They are wet.

3. Call Semi after lunch. He seemed worried.

4. Sera and Rita are playing in the rain. They will get wet.

5. Mum and dad went shopping. They bought a new dining set.
6. The children finished their dinner. It was good.

C. Unjumble the letters to make up a word.

party	birthday	cake	gift	invitation
-------	----------	------	------	------------

1. fitg - _____
2. arypt - _____
3. diratyhb - _____
4. ecka - _____

D. Write your birthday invitation to your friend.
