Lesson notes

Exploring Types of Homes

- A home is a place where everyone lives.
- Some people live in big houses while others live in small houses.
- There are different types of houses that we live in.

Thatched bure houses in Navala Village Ba

Lovu Heart Homes

Koropita charitable homes

Squatter settlement houses

Big double storey concrete houses

Wooden houses

Tin /corrugated houses

ACTIVITY: Answer the following questions.

1. After looking at the types of homes in Part 1, which one would you like to live in when you grow up?

Answers can be the examples given in the lesson notes

2. Why would you choose this one to be your home?

Answers will be based on children's own views and opinion. They will choose which type of house.

3. Draw and colour your home. (Children will draw their own type of house)

Write down three things you like about your home.

1. Three things you like about your home:

- Home is a place where my family members live.
- Home is a place to build memories.
- A place where we can truly be ourself.

2. My home Address for example Lovu Lautoka. (answers will vary according to where children live)
