NOTES

Olympic Games

- The modern **Olympic Games** are the leading international sporting event featuring summer and winter sports competitions in which thousands of athletes from around the world participate in a variety of competitions.
- The Olympic Games are considered to be the world's foremost sports competition with more than 200 nations participating.
- The Olympic Games are held every four years, with the Summer and Winter Games alternating by occurring every four years but two years apart.
- Their creation was inspired by the ancient Olympic Games, which were held in Olympia, Greece, from the 8th century BC to the 4th century AD.
- **Baron Pierre de Coubertin** founded the International Olympic Committee (IOC) in **1894**. The IOC is the governing body of the Olympic Movement, with the Olympic Charter defining its structure and authority.
