

2036 Penang Sangam Primary School
Year 6
Social Studies
Worksheet 4 Solution

Activity: 1 Answer the following questions.

1. What is a map?
A map is a sketch drawing of a place as seen from above.
2. Name the two different types of maps.
Mental maps and sketch maps.
3. Why are maps useful to us?
 - **Maps give us the direction from one particular place to another.**
 - **Maps also help us to know distances so that we know how far away one thing is from another.**

Activity: 2 Write either true or false for the statements given below.

1. Mental maps are maps that we make up in our minds. **True**
2. A map is a sketch drawing of a place when seen from below. **False**
3. The special features on a map are called conventions. **True**
