Worksheet 5 - Answers

Resource Interpretation Exercises:

Resource I: Use the following Resource to answer Questions 1 – 3.

Source: <https://www.google.com/>

1. Identify the person in the above photograph.

Answer: Dr. James Fong

2. Name Ministry does he belong to and what is his Job title?

Answer: Permanent Secretary for Ministry of Health

3. State two of his responsibilities.

Answer: to provide support and advice to the Minister, among other things by:

- anticipating issues in the House of Representatives or the media
- managing current issues and problems, keeping the Minister fully informed
- providing advice
- generating ideas to support the Minister's agenda

Resource II: Use the resource given below to answer questions 4-5.

Source: <https://www.google.com/>

4. Identify the type of disability shown in the photograph in Resource II.

Answer: Old age disability

5. State two ways in which people with such disabilities could be helped.

Answer: Treating them with respect dignity and equality. Encouraging them and helping them in developing positive attitudes in life.

Resource III: Use the resource given below to answer questions 6-7.

Source: <https://www.google.com/>

6. State two ways in which children are assisted by Save the Children Fiji.

Answer: They protect children's risk of abuse, exploitation and violence. They provide information necessary to advocate for policy changes to bring about improvement to children's lives. Overall they are dedicated to bettering the lives of children in a sustainable manner in Fiji.

7. Describe one challenge faced by Save the Children Fiji in carrying out its responsibilities.

Answer: Financial and human resources: This means there is a lack of available resources across all government departments for the delivery of services for children, but is also linked to a lack of human resources (training and expertise) in all child outcome areas.
