**LESSON NOTES:**

**Cultural Identity, Diversity and Cohesion**

**Ethnic Groups in my Community**

- Fiji is known for its cultural diversity, for in almost every community you find more than one ethnic group living together.
- Ethnic group - “a group of people sharing an identity which arises from a collective sense of distinctive history”.
- Ethnic groups have their own cultures.
- For the different ethnic groups that people belong to, there are some forms of interactions with people from other cultures.

**QUESTIONS**

**A. List down three people/families in your neighborhood or community that belong to different ethnicities. Copy the table below and fill it in.**

<b>Ethnicity</b>	<b>Place of Worship</b>	<b>Dressing</b>	<b>Festivals</b>	<b>Traditional Food</b>
