Lesson Notes:

Week 11: Unit 13 Place and Environment

Special places in our villages, communities and school

School - is a special place where children attend to gain knowledge and understanding .

Apart from academic work, children also broaden their knowledge in other school based activities.

Questions:

1. Why is a school a special place in your village or community?

School is a special place because we get knowledge, learn values and make good friends at school.

2. How do you benefit by going to school? Give 3 points.
 - a. Make new friends and share views and ideas with each other.
 - b. Learn moral values and our friend's cultural background.
 - c. Learn other languages.
