

Discuss the following with your child.

A.1. What are some farm animals (tell names)

2. Who looks after the farm animals.
3. Where are farm animals found?
4. How are animals fed on a farm?
5. When do they eat and sleep?
6. Why are farm animals useful to us?

B. Teach the rhymes and songs on Animals or teach from you tube.

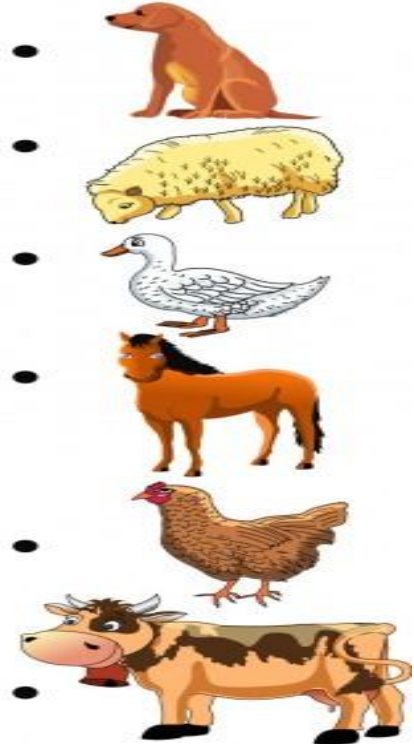

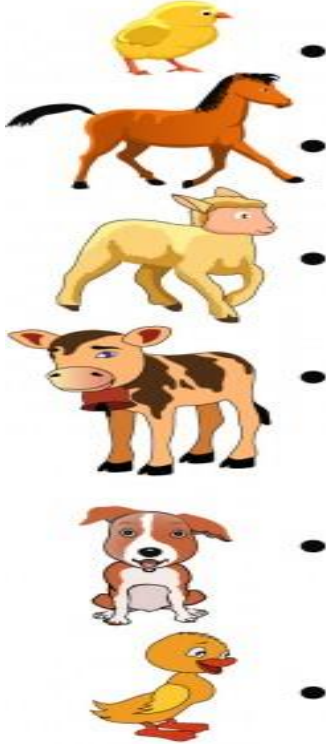

C. Tell them stories based on animals.

D Colouring Activity - FARM ANIMALS

Animals And Their Young 2

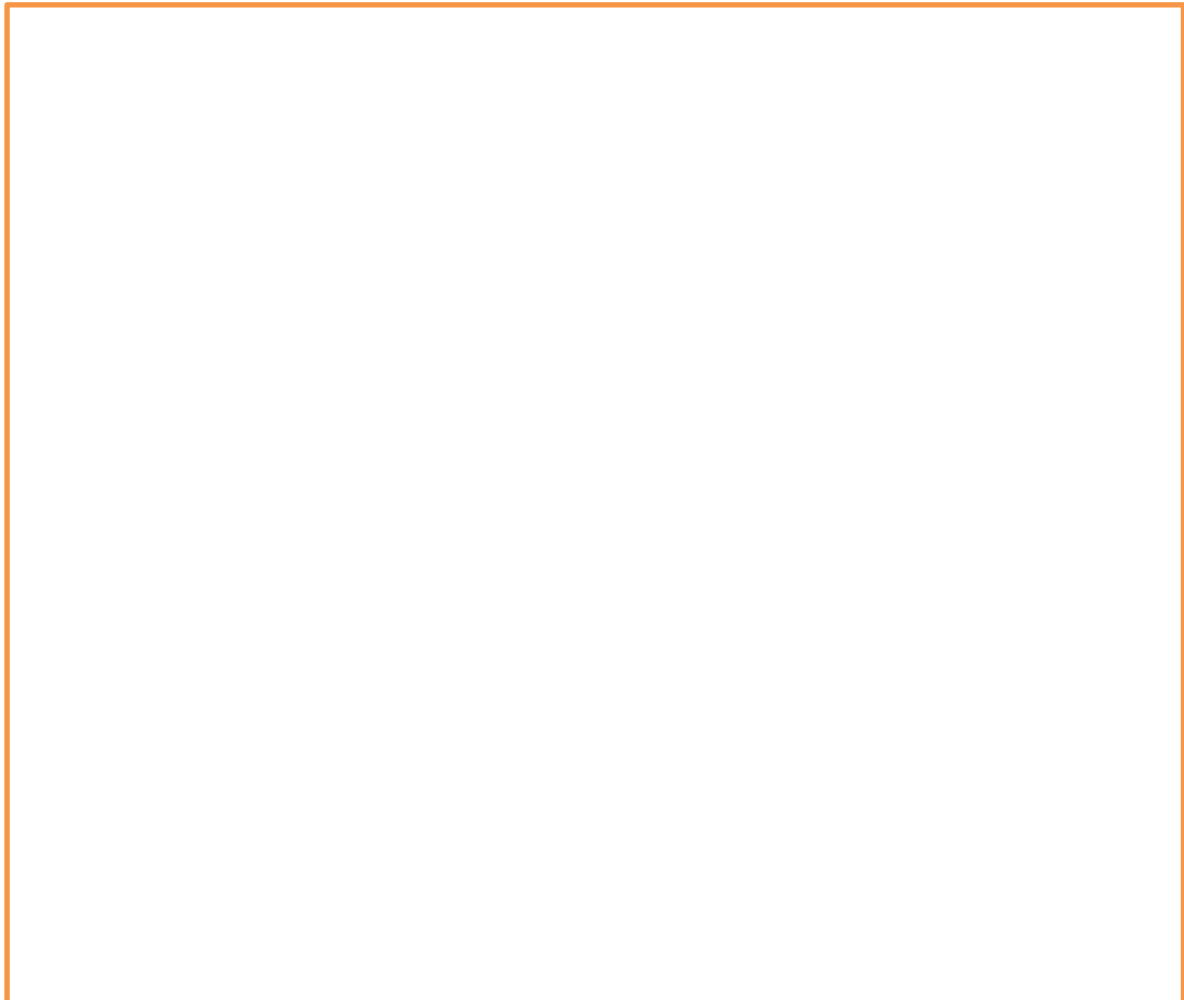

Match the images on the left to their corresponding images on the right.

B. Write numbers from 1 to 10.

1									
2									
3									
4									
5									
6									
7									
8									
9									
10									

1. **Picture talk** - show them pictures of animals. (eyes, ears, nose, tail, legs, colours, etc) and read out the names.
2. **Object talk**- show them eggs, milk packet, blanket and woolen jacket and tell them about the process of it. For eg. Woolen jackets are made from sheeps - wool.
 - Show them any real animals if you have at your home.
3. **Science- Listening activity**
 - Let your child identify the sounds of animals around your surrounding or from you tube.
4. **Pre- drawings** - draw and colour any animal they have seen.

5. **Art & Craft** - make any animal using recycle materials and upload the picture on our viber group.

A. Outdoor activity

-Do yoga or zumba with your child.

B. Health and Well - Being

1. Teach them the importance of washing hands and washing fruits before eating.

2. Cleanliness of personal hygiene - hair, nails, ears etc.

C. Sand play - (if only you have sand at home)

-provide your child with sand and some water in a basin, container or tyre.

-let your child wet the sand to make shapes using cups, spoons, glass etc.

Or

Water play - bubble blowing

- provide your child with some water in a basin and straw.

- your child has to blow (**not drink**) in the water and make bubbles.

- take pictures and upload on our viber group.

- these 2 activities should be done under parents' strict supervision.
