INTERIOR DECORATION /INTERIOR DESIGN

- is the skill of planning and execution of the layout, decoration, and furnishing of an architectural interior.
- It is an art of decorating the home as per our personal taste and lifestyle which includes colour of the walls, lights, fabric, furniture, etc which we want to use to decorate our rooms and our homes.
- Interior design concerns itself with more than just the visual or ambient enhancement of an interior space, it is about enhancing and harmonizing the functions of the home and all that it will be used for.

Interior Designer

- An interior designer is a trained professional who creates functional and quality interior environments.
- Qualified through education, experience and examination, a professional interior designer can identify, research and creatively resolve issues to design a healthy, safe and comfortable physical environment.
