Sub Strand	Use and Management of Resources
Content Learning Outcome	Investigate the resources they use in their homes and schools and express how they can be managed well.

**Solution**

Answers may differ.

**What lessons did you learn from Paula's story?**

The lessons I have learnt from this story are:

We must use our resources wisely.

We must use our resources (belongings) properly so that it can last long.

We must be responsible towards our resources.

Place your belongings at their right place after use.

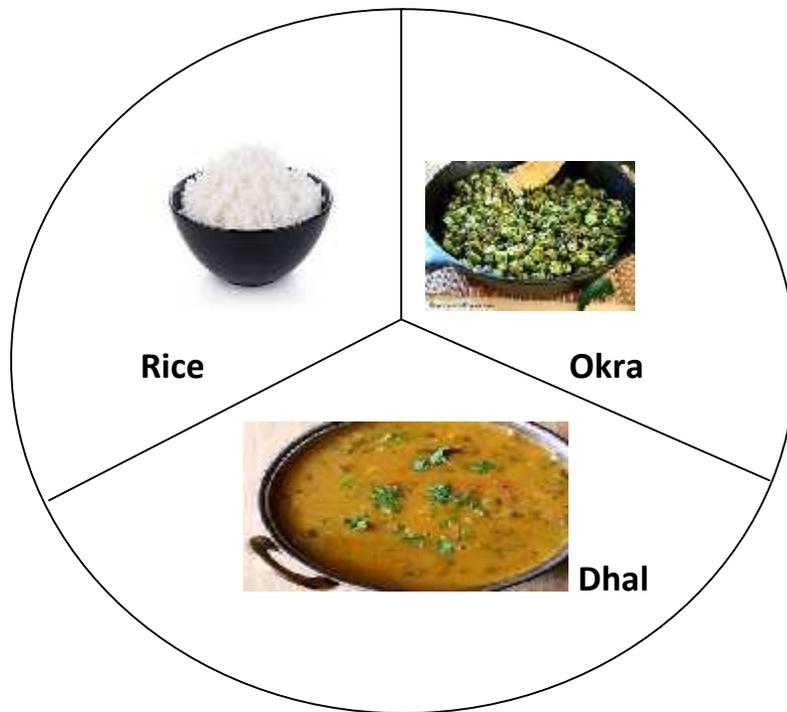

Handle belongings properly.
