Dear Peter/ Ruby

Hello again. I hope you are well. Thank you for your last letter which I received a week ago.

I am enjoying school a lot. Are your Police Officers helpful? Ours are very helpful and also hardworking. Last week, some policemen visited our school. They told us to be good students and not to try any of the drugs. We should always say no to drugs.

Please write again soon and give my regards to your family.

POETRY

Read the poems given below and answer the questions that follows:

MAILBOX

As night comes
I wonder who will get mail.
It is a constant worry.
The mail has come.
The same old question,
Is there any for me?
Sorry, not today.
OK, thank you.
With sad hearts they walk
away.
I see the sadness.
I see the disappointment.
Then quickly I say,
“Maybe this afternoon.”
A smile lights their faces.
