**Answer Sheet 2021**

1. The diagram below shows a boat travelling to an island. Use the diagram and your knowledge to answer the questions that follow

(i) Is it safe to travel in this boat? Give a reason for your answer.

**No, it's overcrowded.**

(ii) State two safety measures while traveling on a boat?

- **Do not exceed the number of passengers safely allowed on your vessel.**
- **Make sure all passengers remain in their proper, seated positions on the boat while it is in motion.**
- **Wear life jackets**
- **Be aware of your surroundings, like water conditions and other vessels, to help you react to any potential dangers in a timely manner**

(iii) Give one advice to these passengers?

**Do not overcrowd, stay away from the edge of the boat, and wear life jackets.**  
**If possible take the next available boat.**

2. The diagram below shows a tragic road accident. Use the diagram and your knowledge to answer the questions that follow.

(i) Name **one** possible cause of this accident?

**Over speeding, drunk drivers, distraction.**

(ii) State **two** safety measures while travelling in a bus or car.

**Keep seated**  
**Do not distract the driver**  
**Wear seat**  
**Keep your head and hands inside.**

(iii) Give **one** advice to the drivers.

**Do not over speeding**  
**Do not drink and drive**  
**Take care of your passengers and other road users.**

The End
