QUESTIONS

B. Sentences: Subjects and Predicates

Subjects and Predicates

In their simplest form sentences can usually be divided into two parts.

- a) What is being talked about? (**The subject**)
- b) What is being said about that thing or person? (**predicate**)

For example: 'The dog barked for its bone.'

What is being talked about? (the dog) - subject

What are we saying about it? (that it barked for its bone) –predicate

*Note: **The predicate of the sentence always contains the verb**

Match the subjects and predicates below and write out proper sentences in your books.
