Marks: 20 Name: _____

Section A Comprehension

Read the passage below and answer the questions that follow.

Lily turned seven years old today! Mum picked her up from school and they went to the store. There were dolls and fun games to play with everywhere. Mum let Lily choose three new things to buy.

Soon they left for home. When they reached home, ten of Lily's friends were there. As Lily walked in, her friends jumped up and yelled, "Surprise!" Then everyone had carrot cake and fruit juice.

After that, Lily opened all presents that her friends had brought. That night grandmother arrived too. She had driven three hours just to come and see Lily. What a great day it was!
